RECOGNITIONS

APRIL 2024

Michele Fendrick

Michele really cares for her staff and is very conscientious about showing appreciation. For Employee Appreciation Day, she decorated their office doors and got them a goodie basket filled with fun items. Michele is a good example of how we should be showing appreciation for staff. Michele is equally appreciated for her hard work in ensuring health and safety in the clients' lives and training staff. Thank you, Michele!

Lisa Kline

Lisa took me under her wing and trained me to be the best DSP I can be the way she cares for the clients, the love and care that she has. She is very humble and should be recognized for the work she has done and keeps on doing.

Lisa Silcox

I really appreciate Lisa. She is a woman after my own heart. She does many things the way I would do them. Lisa is very aware and productive, knowing when something should be done or when something is not getting done. She cares a lot about the things that are supposed to be done around here and that shows her compassion towards our clients wellbeing. Thank you, Lisa, for sticking it out, nipping things in the bud, and letting us know your concerns! You are greatly valued at the Plaza!

Hannah Southworth

Hannah is such an amazing staff member. She is so wonderful with the ladies, she is patient and caring. I am so thankful to have her on our team. She has stuck it out through all of the hard times. I am so proud of her for how much she has grown. HL is a very difficult house to work in and Hannah does it with so much grace. Thank you, Hannah, for all your hard work and dedication it does not go unnoticed!

Calin Beck

Today was a rough day for one of our individuals, and unfortunately Cailin got the brunt of it today. Even though she had a rough morning, she kept a smile on her face and was attentive to the individuals. I appreciate your caring nature and attentiveness to the individuals!

Mariah Bowerman

It has been a rough few months tending to challenging client behaviors, and Mariah has kept a smile and steps up every time to help her co-workers when they are in tough situations. When she could easily let someone else deal with the situation. Thanks for stepping up to the plate and being someone the team can count on!

Kelsey Houghton

Kelsey is always the first one to volunteer to take the individuals on outings, and Friday when the other programs needed help and no one else wanted to do it, she volunteered to go work at another location. I appreciate your flexibility and appreciate all that you do!
