RECOGNITIONS

JUNE 2024

Olivia Yoder

Each week I think about how grateful I am that we have Olivia at ADEC. Olivia brings a positive attitude, a gift for teaching, and a great amount of initiative. I don't know if she sees it, but Olivia has a tremendous impact on the individuals we support and ADEC's mission.

Carrie Muir

I regularly see Carrie demonstrate flexibility and with a positive attitude. I appreciate her heart to help others and a passion for supporting those we serve and our ADEC team.

Zachary Christmas

Zach consistently goes above and beyond to ensure everyone's needs are met and that his work exceeds expectations! The way he helps showcase ADEC through videos, photos, graphic design, and so much more has significantly impacted our projects and left a lasting impact on our community. Since moving into our new office, I have had the pleasure of witnessing his hard work and dedication first hand. His support and presence as a coworker have been invaluable, and I deeply appreciate the camaraderie he brings to our team. Though many don't have the opportunity to witness the amount of time, effort, and work he puts into his projects, Zach's commitment to ADEC truly deserves to be recognized!

Erika Fervida

I wanted to recognize Erika for outgoing friendliness. I tend to lean towards awkward/shy and her warm greeting was appreciated. The enthusiasm she expressed for her new role put a positive spin on my afternoon. I can imagine that the individuals on her route are encouraged by her too. Erika, I am glad to have you on the team!

Lisa Silcox

Lisa cares so much about the clients at Plaza and is always willing to help her coworkers. If something needs done, Lisa will always do it. It is a joy working with her.
