## RECOGNITIONS

**NOVEMBER 2024**

# DANIELLE HOWARD

I would like to nominate Danielle Howard for a pay it forward, she has been a devoted staff to myself and to our clients. Danielle is always trying to achieve the Best possible outcomes for the clients we serve, always with a kind word and a smile on her face. I am truly glad she is part of our team and I hope she continues to be for years to come. Thank you for all that you do and continue to do.

A mother called to tell me how much she appreciates Danielle and everything she does for her daughter. She said Danielle is compassionate and goes above and beyond.

# LYDIA MINO

Lydia is a great asset to Gaining Grounds. During the event we held today, she was incredibly helpful, making sure that we had coffee when we needed it, refilling beverages, going above and beyond by providing trays and tongs, etc... I really appreciated her helpfulness; it took lots of stress off me.

I want to nominate Lydia Mino for Pay It Forward. Recently, we received a voicemail in Spanish at the front desk. Lydia took the initiative to translate the voicemail. I appreciate Lydia's dedication to teamwork and communication, and the way she stepped up in this situation. ADEC is very lucky to have Lydia as a valuable member of our team!

# NANCY WOODS

# GOMER JONES

I would like to nominate Gomer for this month's Pay It Forward recipient. Gomer was crucial in helping Gaining Grounds be successful in this year's craft bazaar. He helped us construct our new t-shirt display, he repurposed the old displays, and is currently designing our new bar top for the coffee shop. And of course these are just the things that he does for us, I have no clue what he does for other groups in our organization. His work helped clear the lobby so that it was a warm and welcoming spot and he is just great to work with.
