

ADEC

PRE-EMPLOYMENT TRANSITION SERVICES

ADEC serves as a contracted provider of Pre-Employment Transition Services (Pre-ETS) within high schools across St. Joseph County. These services are specifically designed to support students with disabilities between the ages of 14 and 22, offering them the tools and experiences necessary to successfully transition from school to the workplace.

Through Pre-ETS, students engage in activities that promote career exploration, job readiness, and independent living skills, all of which are vital for long-term success in employment and beyond. By focusing on each student's unique strengths and abilities, ADEC empowers young individuals to gain confidence, build professional skills, and prepare for meaningful careers.

KEY PROGRAM AREAS

- Job Exploration and Counseling
- Work-Based Learning Experiences
- Counseling on Post-Secondary Education
- Workplace Readiness Training
- Instruction in Self-Advocacy

CONTRACTED SCHOOLS

ADEC is the contracted provider of Pre-ETS to several schools in St. Joseph County. These schools include Adams High School, Marian High School, Purdue Polytech High School, Portage High School, Riley High School, South Bend Career Academy, Studebaker High School, Washington High School, John Glenn High School, and LaVille Jr.-Sr. High School. Services are also available to home and private schooled students.

ADEC empowers people with disabilities to live fulfilled lives in their communities.
